Possible weekly themes include:

- Space
- Disney
- Animals
- Dinosaurs
- Other High Interest Topics

SAFETY AT SOCIALSKILLED:

- Participants should be able to manage well in a one staff to 4 participants ratio and should not have significant emotional or behavioural challenges that require a Safety Plan or Crisis Prevention Intervention (CPI) support at school.
- Activities will include visits to the park across the street and participants must be able to manage that transition and open space without one-to-one support.
- Unsafe behaviours include, but are not limited to: hitting/kicking, biting, leaving the group (elopement), self-injurious behaviours or threatening behaviours.
